

Part B--Storage

The general purpose of section 311 is to provide the basis for the extension to all departments and agencies of authority for payment of the costs of storage of furniture and household and personal effects of employees assigned to foreign posts, and of certain related expenses, which is comparable to the authority for the payment of such expenses now contained in section 911 of the Foreign Service Act of 1946, with respect to the Foreign Service of the United States, and in similar provisions of law with respect to certain other agencies. One effect of the amendment will be **PROVIDE A BASIS FOR** to ~~authorize~~ payment or reimbursement of such expenses of all Government employees assigned to foreign posts on a reasonably uniform and equitable basis.
